Peer Learning

A. Accessing the rad portal.

The rad portal can be accessed several ways:

- On TRA there should be a link on your desktop or go to https://rads.tranow.com:

- On FHS you can add it to your tool bar. Click on properties, Main Tool bar and select Rad portal from the items you can add to your main tool bar.
- On MHS PC's, if you have access to the internet, go to https://rads.tranow.com.
- B. Submitting a case.
 - a. Under peer learning click on submit case:

b. Fill in all of the require fields, which have a red asterisk by them. Click submit once the form is completed:

Peer Learning - Submit Case

- C. Emails and acknowledgement.
 - a. You will receive emails when there are cases for you to acknowledge. They will look similar to below:

Hello Dr. Zhang,

There are a total of 9 peer review cases you need to acknowledge.

Great Call: 2 Learning Opportunity: 7

Please login TRA Rad Portal to review.

Thanks,

TRA IT

b. To acknowledge you cases log into the rad portal, go to Peer Learning and click on Acknowledge:

Peer Learning						
	Submit Case					
	Acknowledge					
	Report					
	QIC TC&PI&GL Worklist					
	QIC Reviewer Worklist					
	CMT Case Assignment					
	CMT Case Review					

c. You will see you list of Peer Learning cases to acknowledge:

d. Click acknowledge to open the case information and acknowledge:

Peer Learning - Submit Acknowledge
